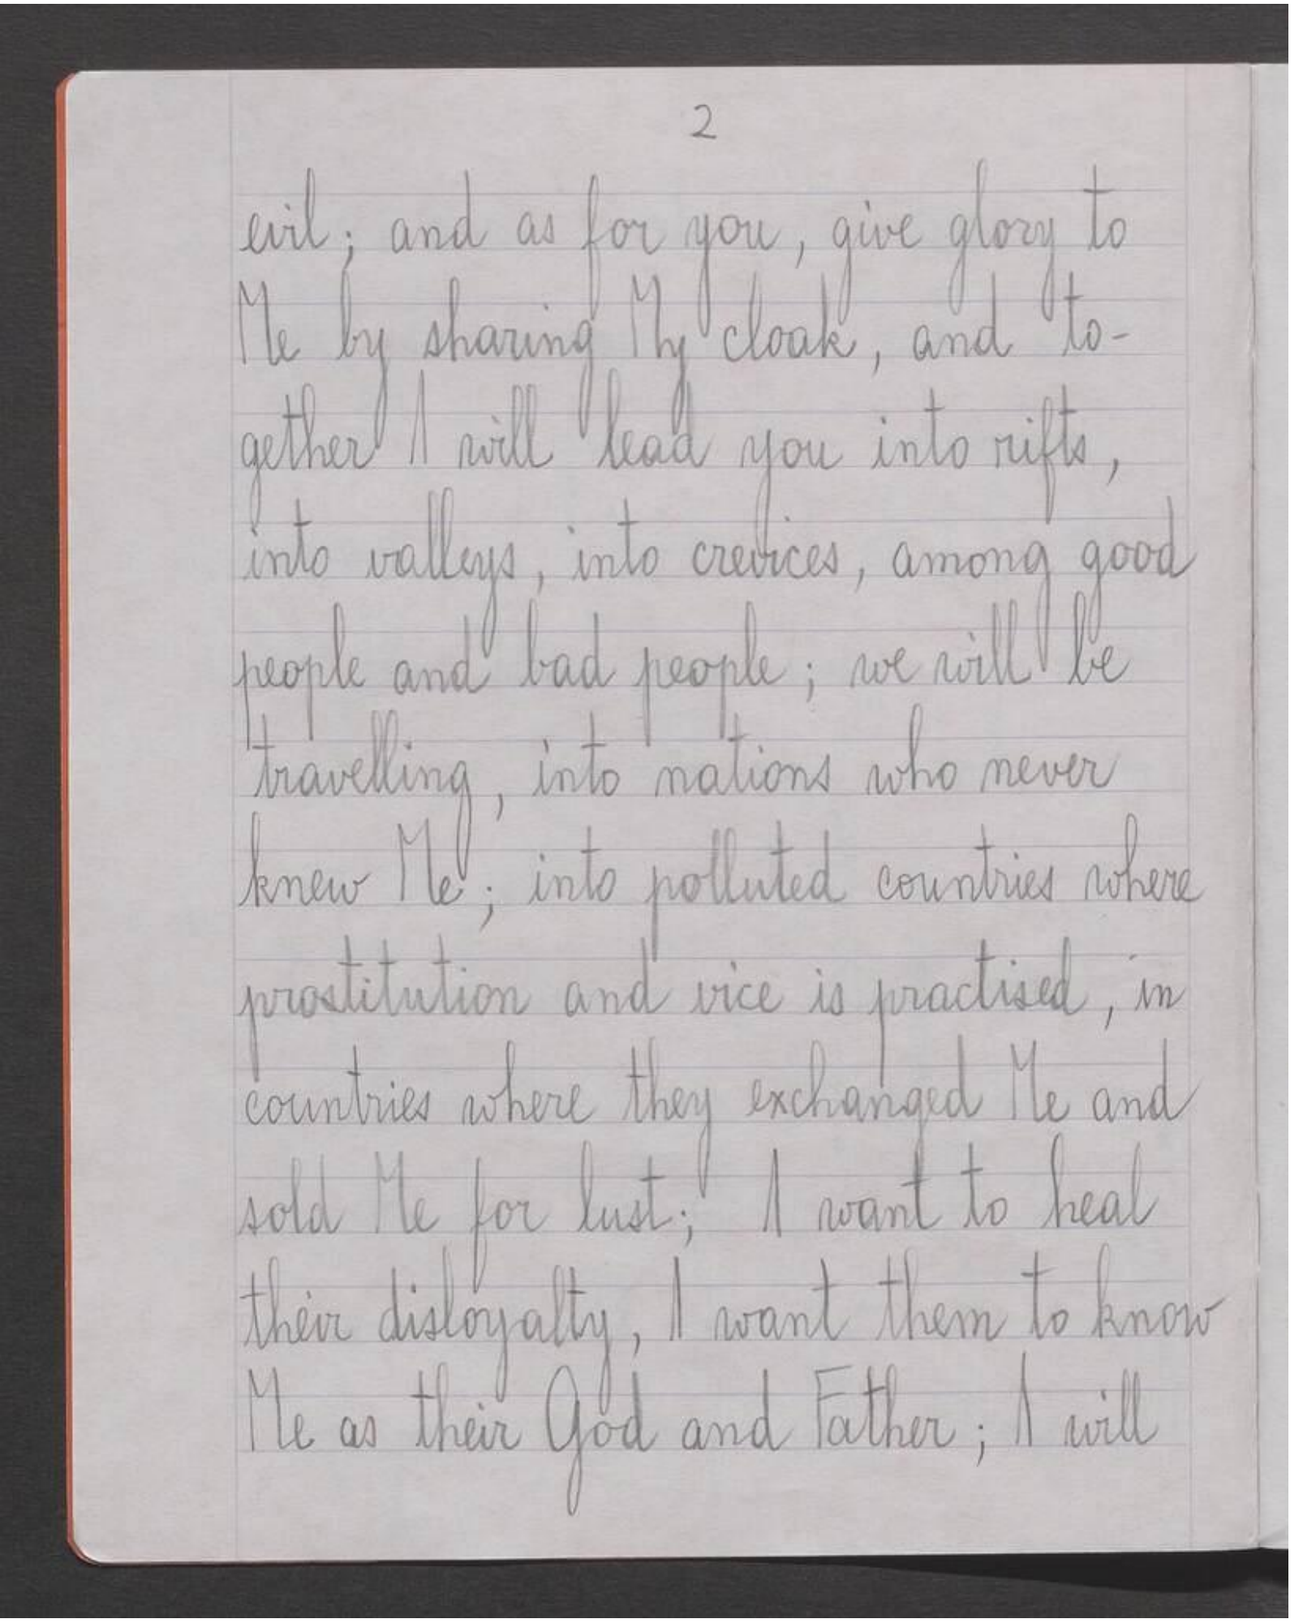
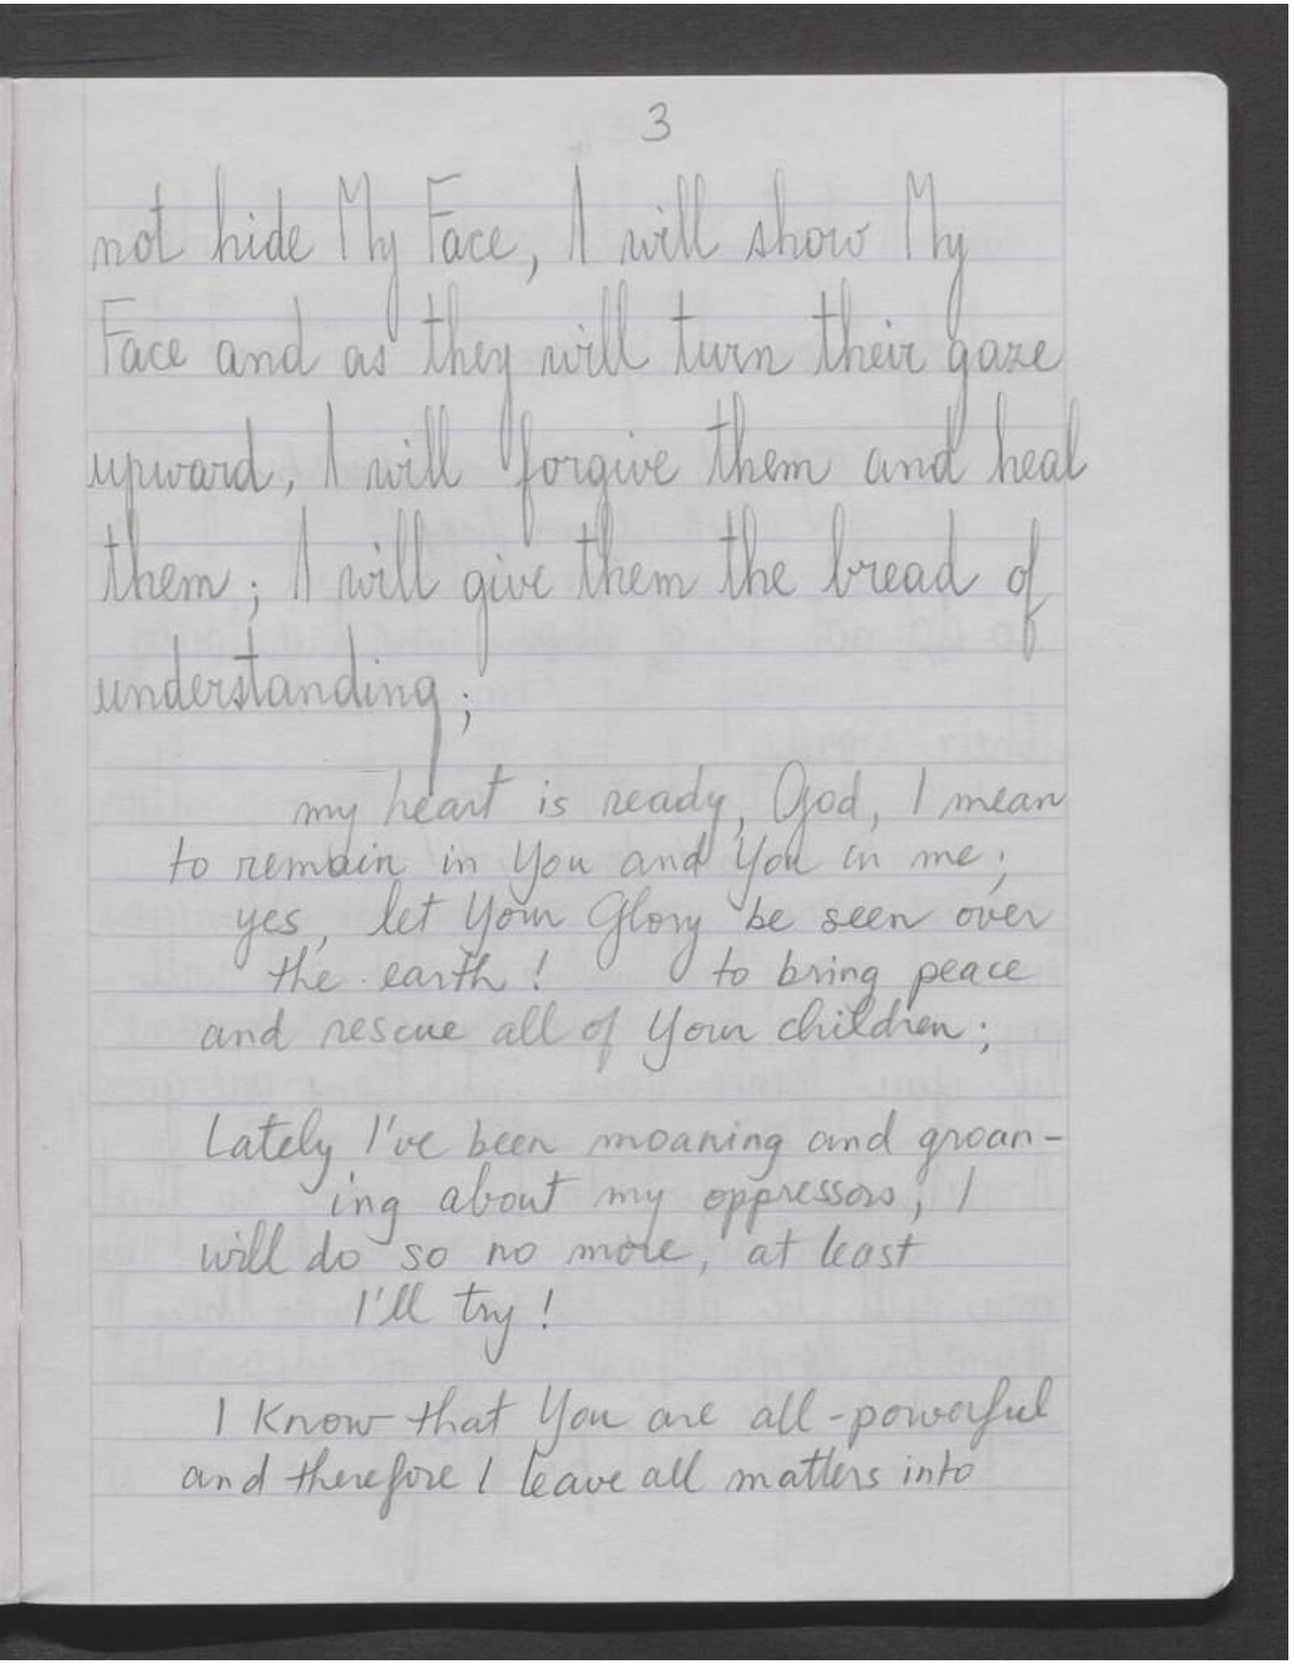
Day: God's Day alone... and every tongue that accuses you, in My Day of Judgment will be refuted; human pride will be humbled; and remember: that your faith and trust will be your shield from the evil one's burning arrows that are aimed on you: so have faith in Me and trust Me, for I can protect you and shield you against the Sovereignties and the Powers who originate the darkness in this world, the spiritual army of



evil; and as for you, give glory to
Me by sharing My cloak, and to-
gether I will lead you into rifts,
into valleys, into crevices, among good
people and bad people; we will be
travelling, into nations who never
knew Me; into polluted countries where
prostitution and vice is practiced, in
countries where they exchanged Me and
sold Me for lust; I want to heal
their disloyalty, I want them to know
Me as their God and Father; I will



not hide My Face, I will show My
Face and as they will turn their gaze
upward, I will forgive them and heal
them; I will give them the bread of
understanding;

my heart is ready, God, I mean
to remain in You and You in me;
yes, let Your Glory be seen over
the earth! to bring peace
and rescue all of Your children;

Lately, I've been moaning and groan-
ing about my oppressors, I
will do so no more, at least
I'll try!

I know that You are all-powerful
and therefore I leave all matters into

Your Hands...

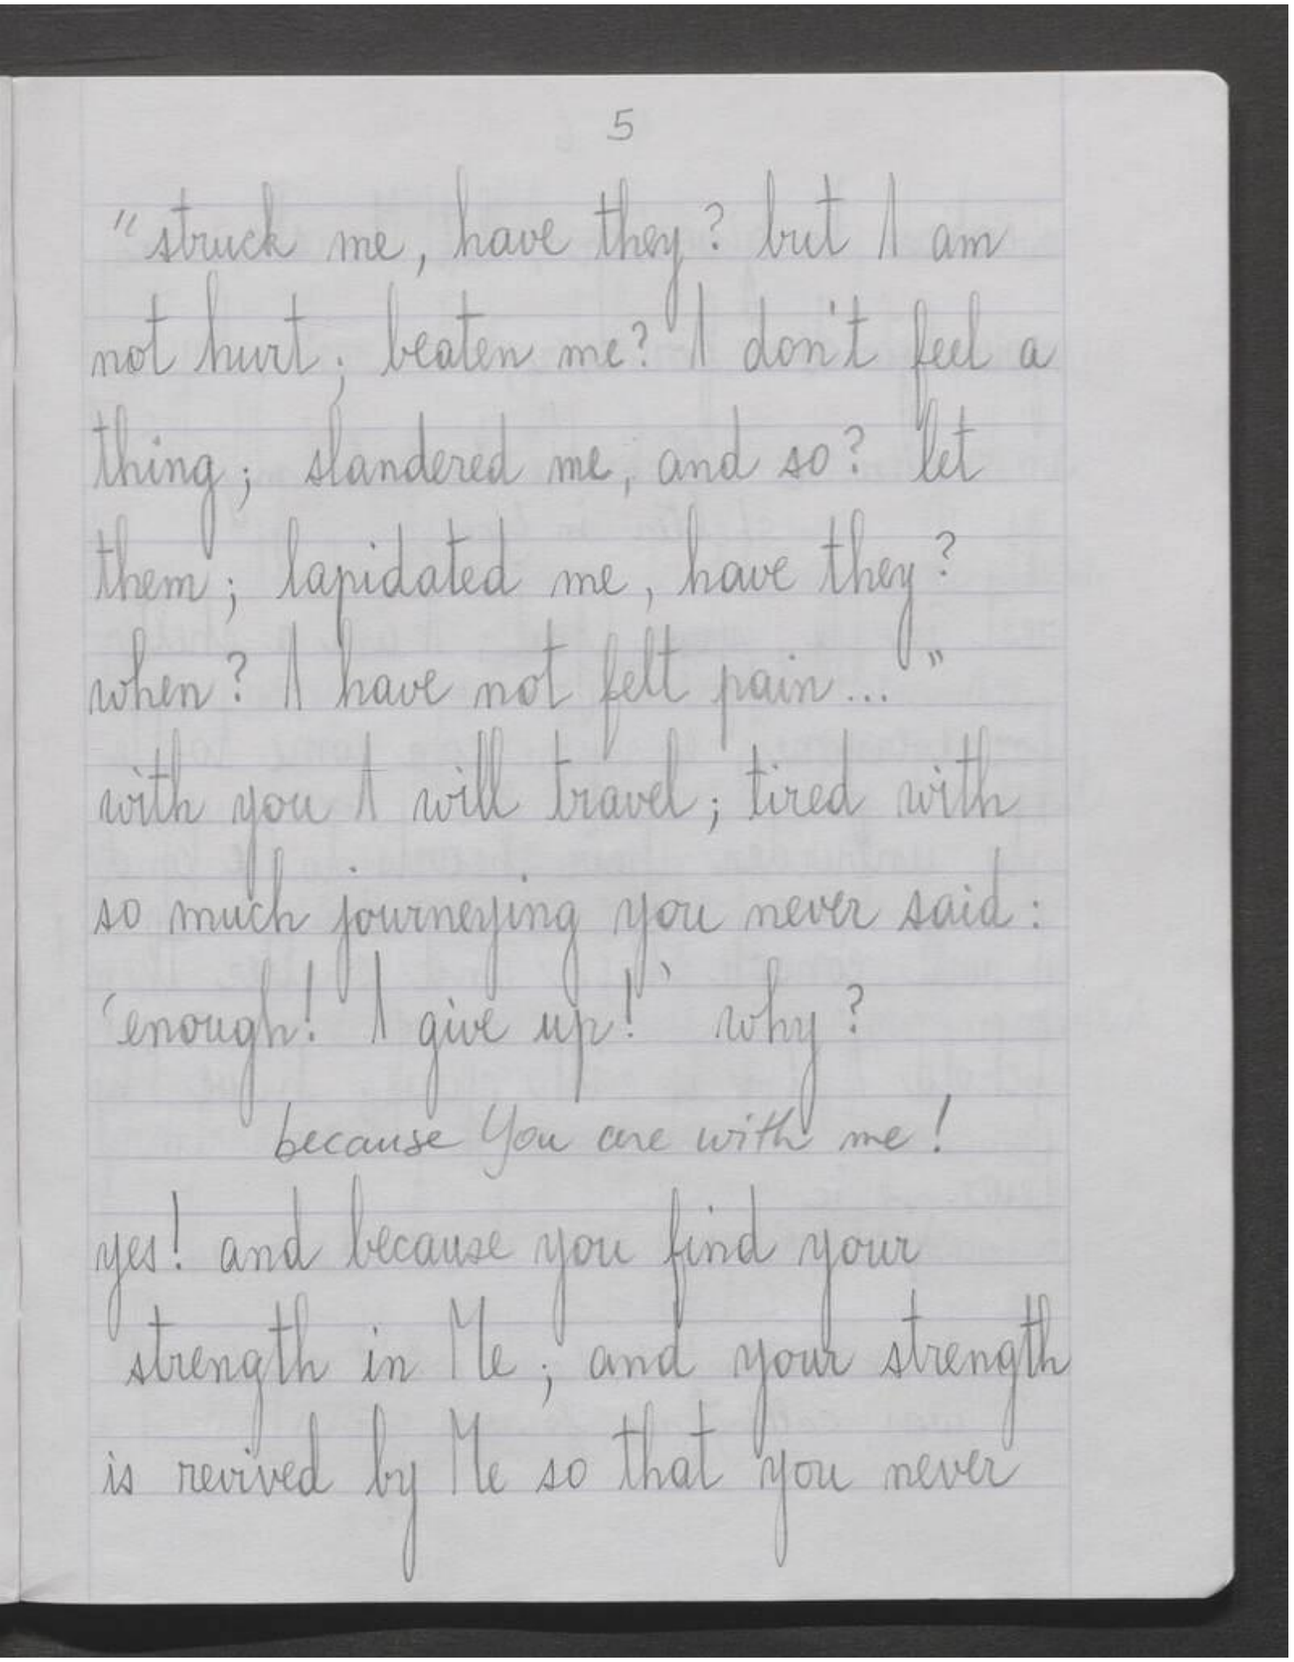
no objections anymore?

I'll try not to stick on objections
with Your help!

so do not be of those who trip over
their words...

I want to resist!

even if you fall several times I will
lift you, since your intentions are good;
I will teach you to be strong so that
you will be able to say when the
serpent's bite stings you:



"struck me, have they? but I am
not hurt; beaten me? I don't feel a
thing; slandered me, and so? let
them; lapidated me, have they?
when? I have not felt pain..."
with you I will travel; tired with
so much journeying you never said:
'enough! I give up!' why?

because You are with me!

yes! and because you find your
strength in Me; and your strength
is revived by Me so that you never

get thirsty again for it will turn into
a spring inside him, welling up to

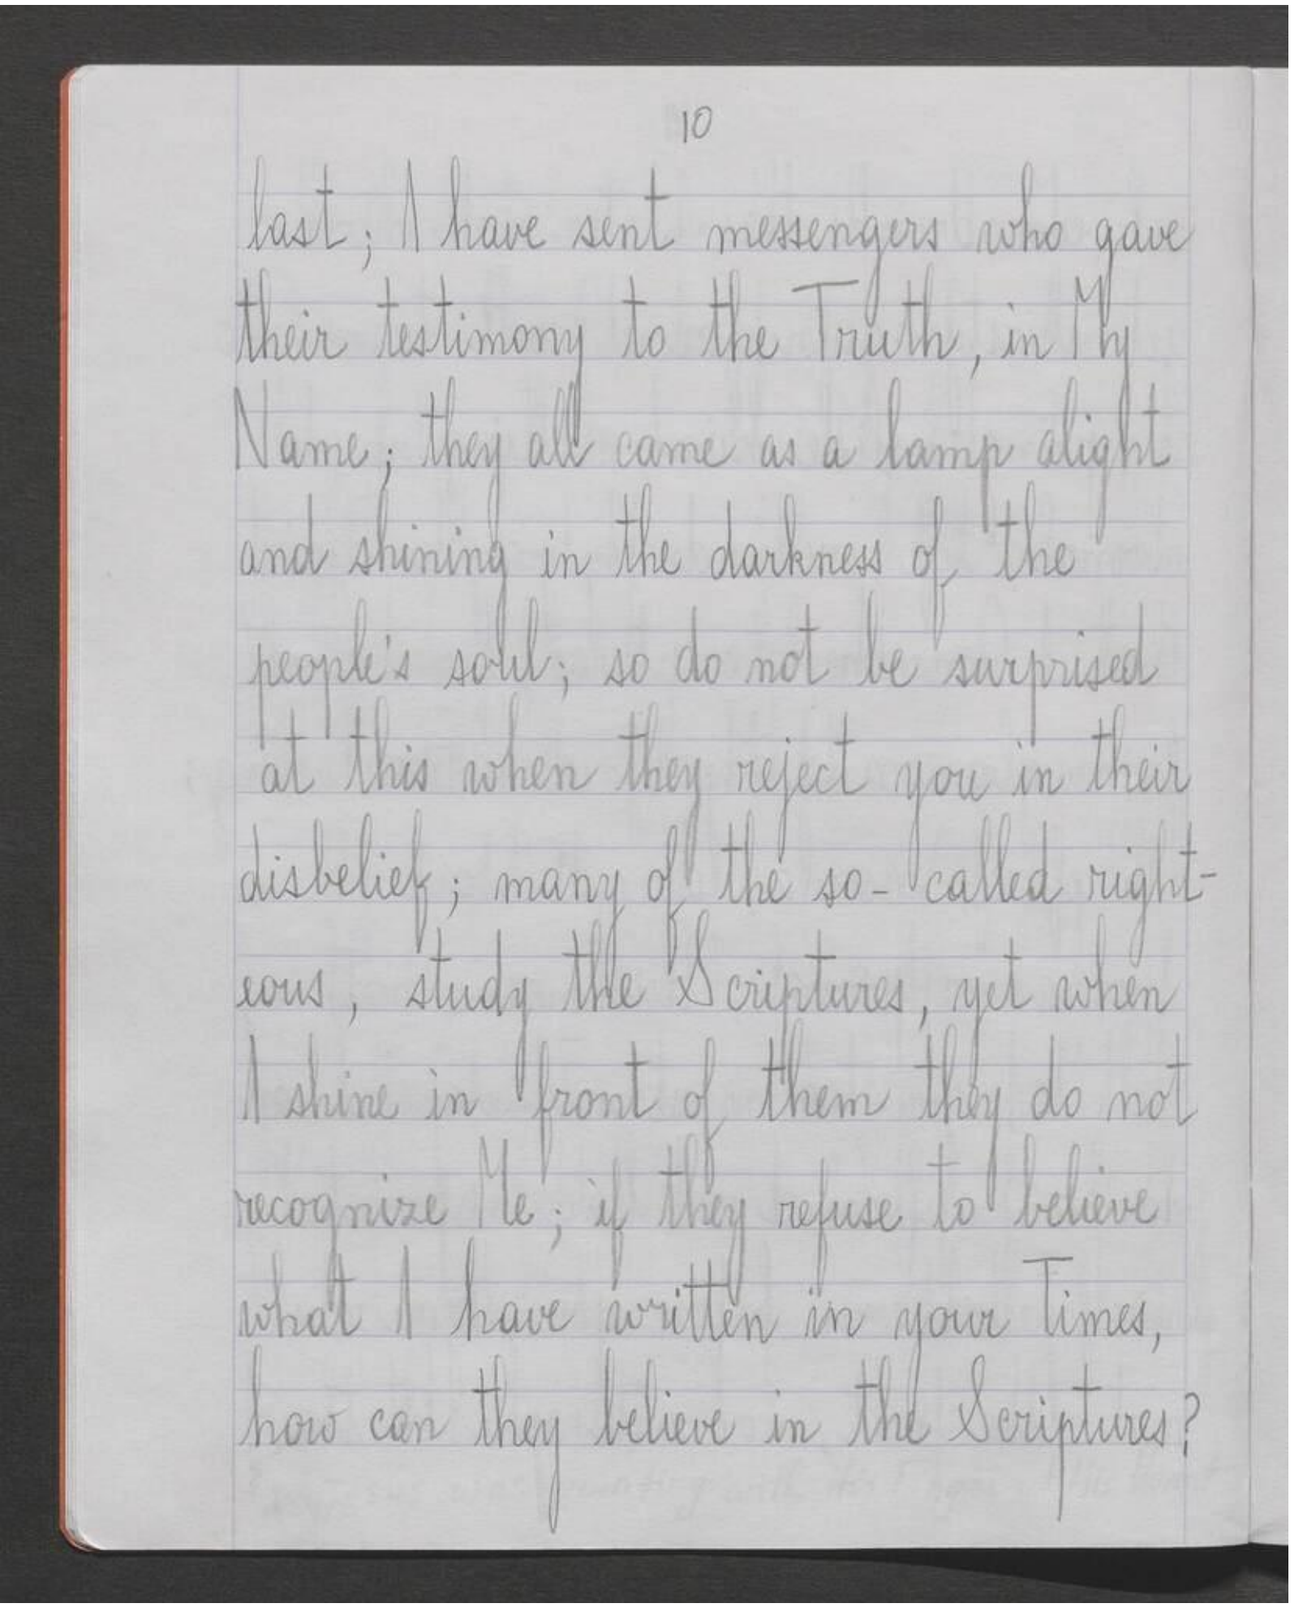
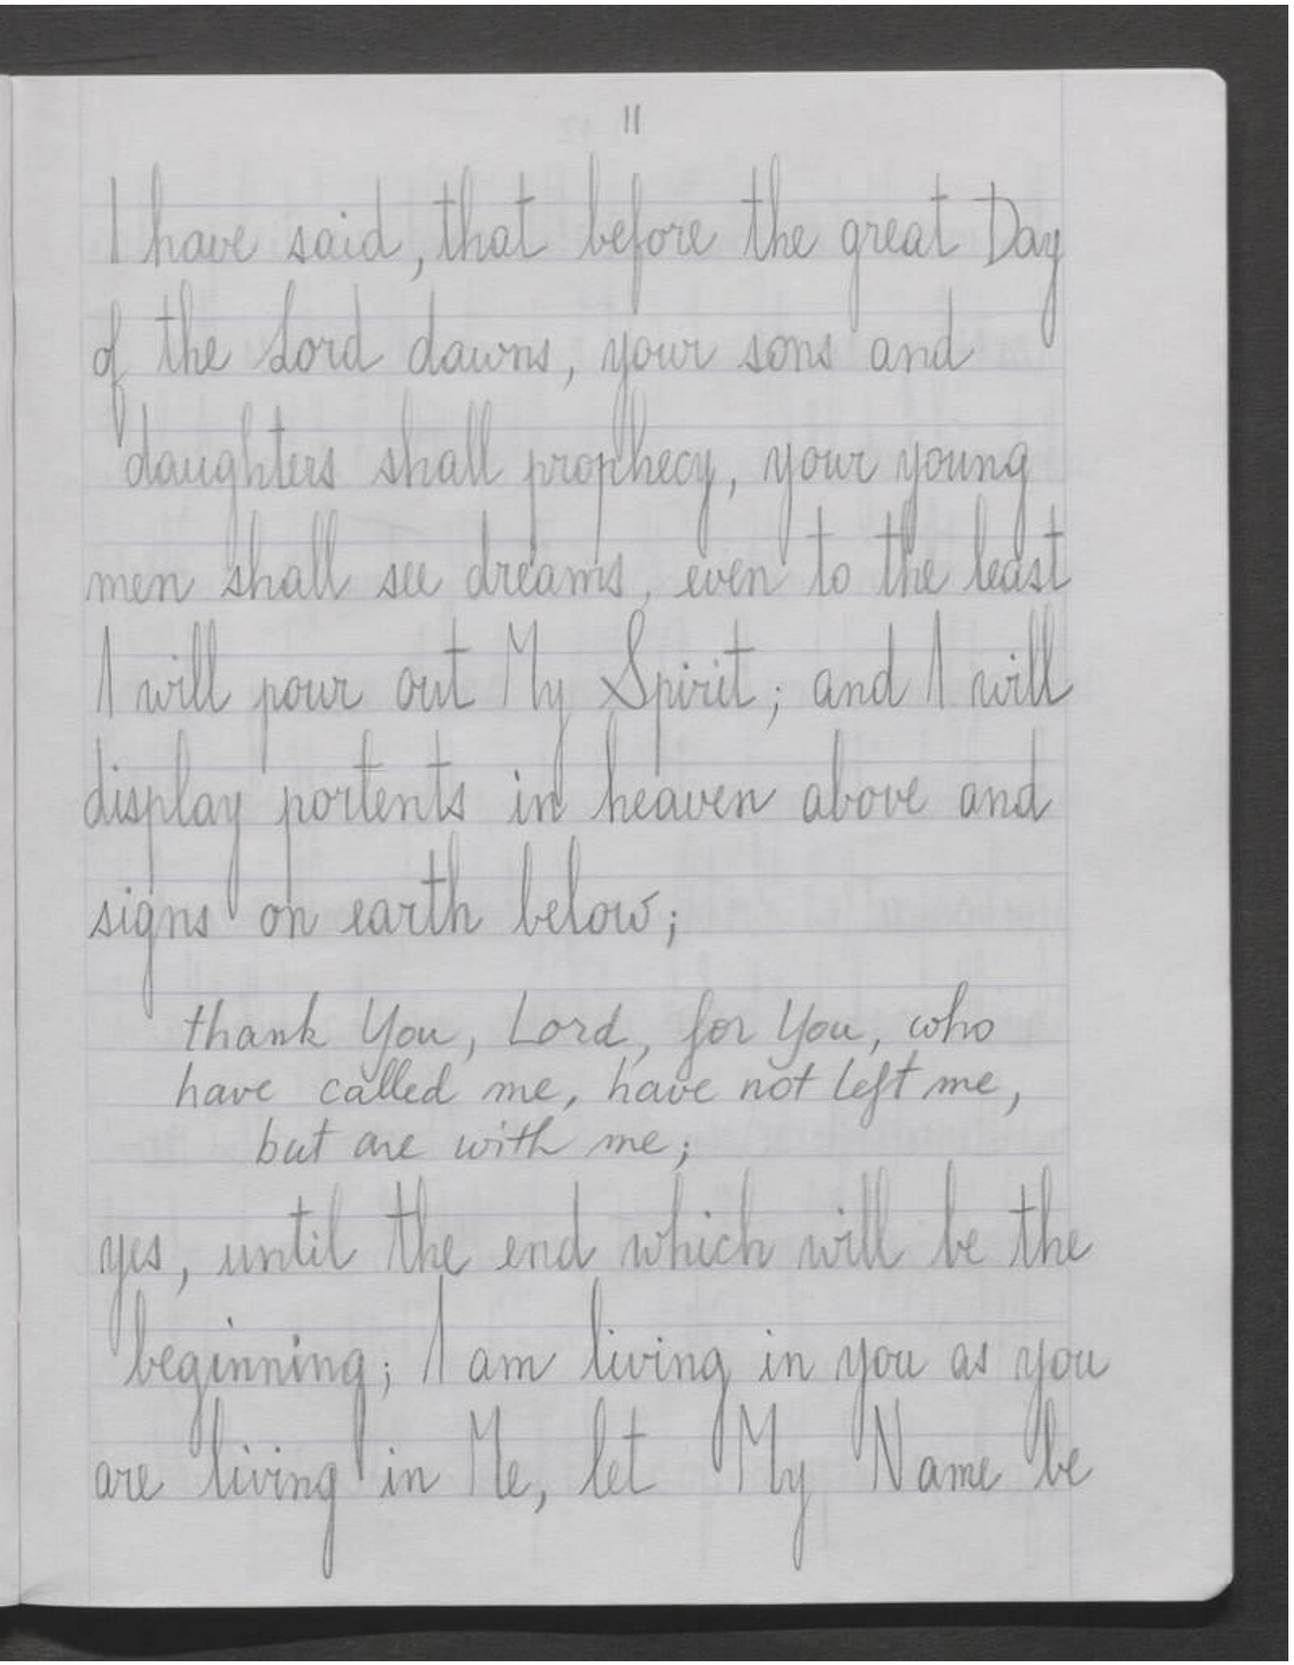
that I Am the Scriptures, for I come
from above and My Word is Everlasting;
therefore, Vassula, do not wait for
human approval, this means nothing
to Me; you too must not depend on
human approval; I had appointed
many witnesses before you; you are
not the first, nor will you be the



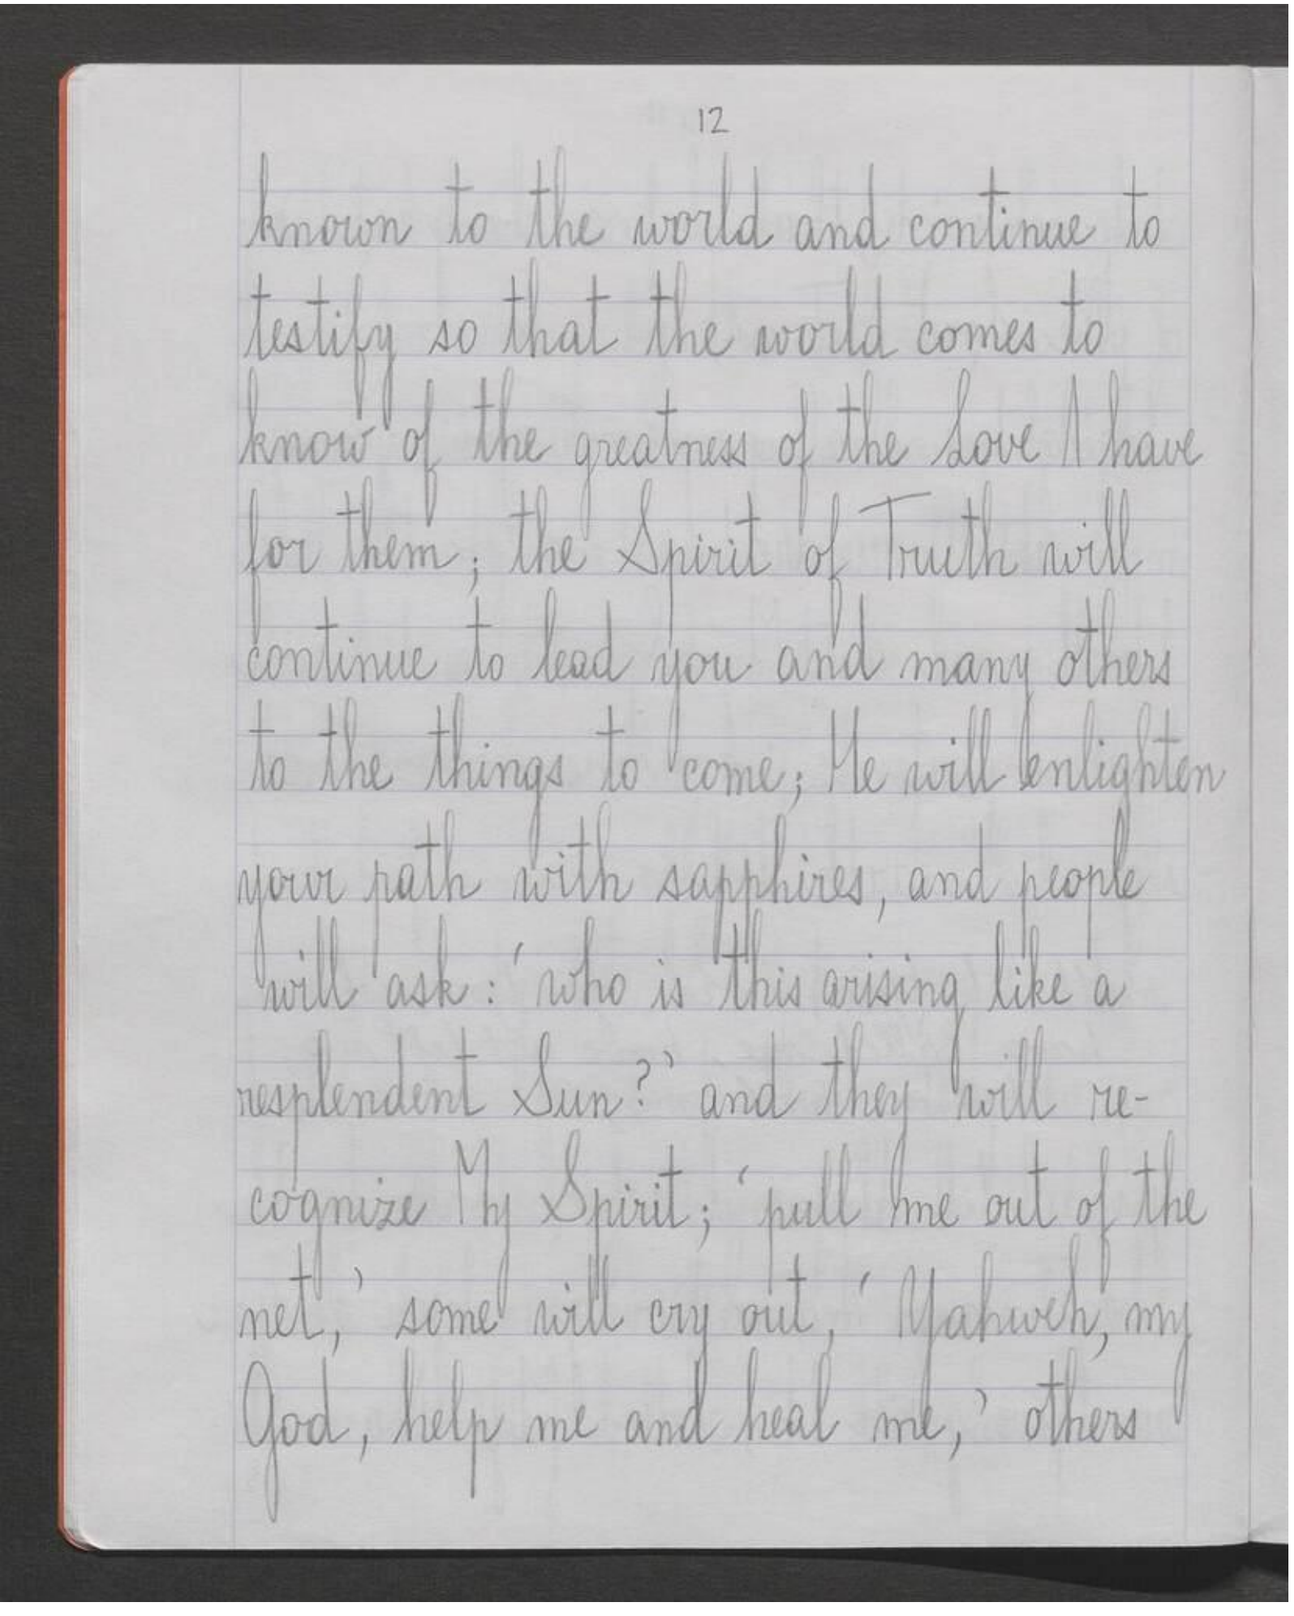
last; I have sent messengers who gave their testimony to the Truth, in My Name; they all came as a lamp alight and shining in the darkness of the people's souls; so do not be surprised at this when they reject you in their disbelief; many of the so-called right-eous, study the Scriptures, yet when I shine in front of them they do not recognize Me; if they refuse to believe what I have written in your Times, how can they believe in the Scriptures?



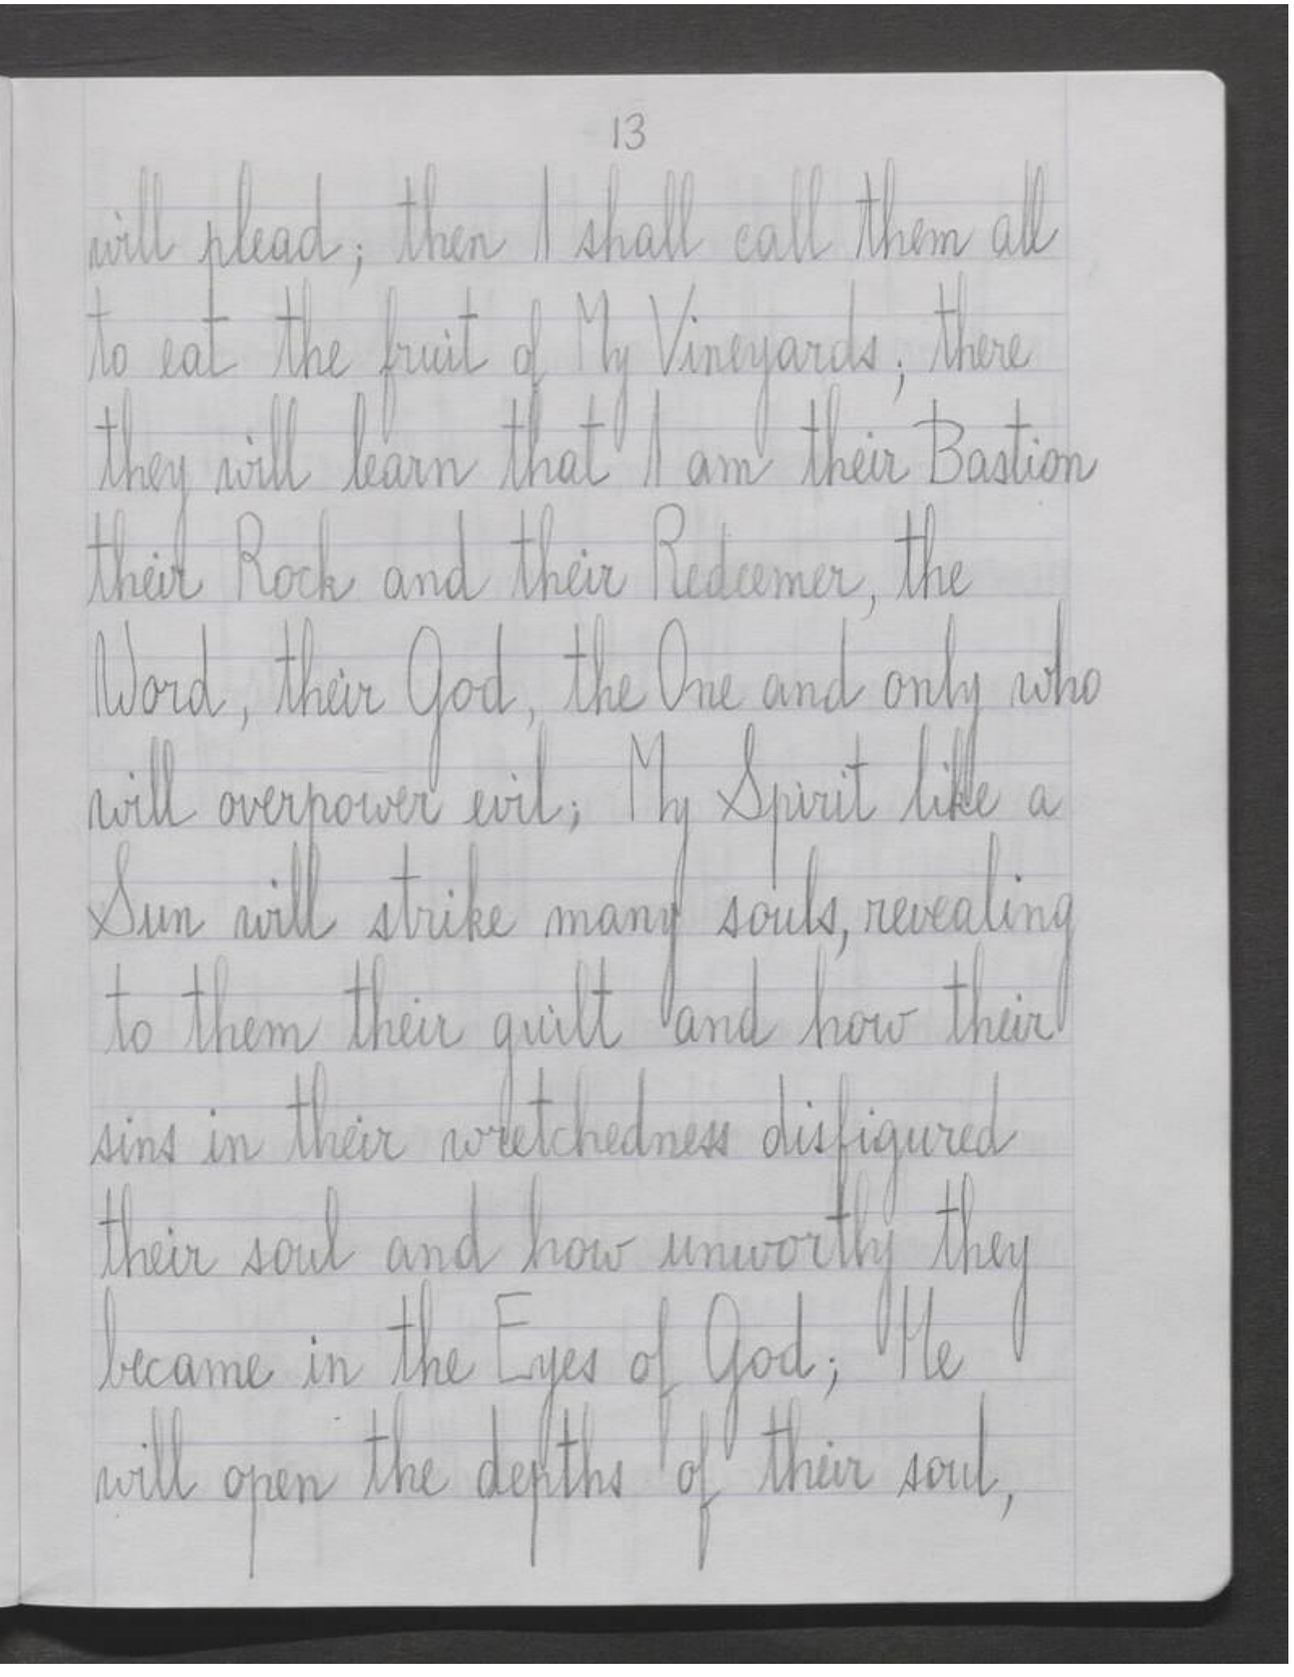
I have said, that before the great Day of the Lord dawns, your sons and daughters shall prophecy, your young men shall see dreams, even to the least I will pour out My Spirit; and I will display portents in heaven above and signs on earth below;

thank You, Lord, for You, who have called me, have not left me, but are with me;

yes, until the end which will be the beginning; I am living in you as you are living in Me, let My Name be



known to the world and continue to testify so that the world comes to know of the greatness of the Love I have for them; the Spirit of Truth will continue to lead you and many others to the things to come; He will enlighten your path with sapphires, and people will ask: 'who is this arising like a resplendent Sun?' and they will re-cognize My Spirit; 'pull me out of the net,' some will cry out, 'Yahweh, my God, help me and heal me,' others



will plead; then I shall call them all
to eat the fruit of My Vineyards; there
they will learn that I am their Bastion
their Rock and their Redeemer, the
Word, their God, the One and only who
will overpower evil; My Spirit like a
Sun will strike many souls, revealing
to them their guilt and how their
sins in their wretchedness disfigured
their soul and how unworthy they
became in the Eyes of God; He
will open the depths of their soul,

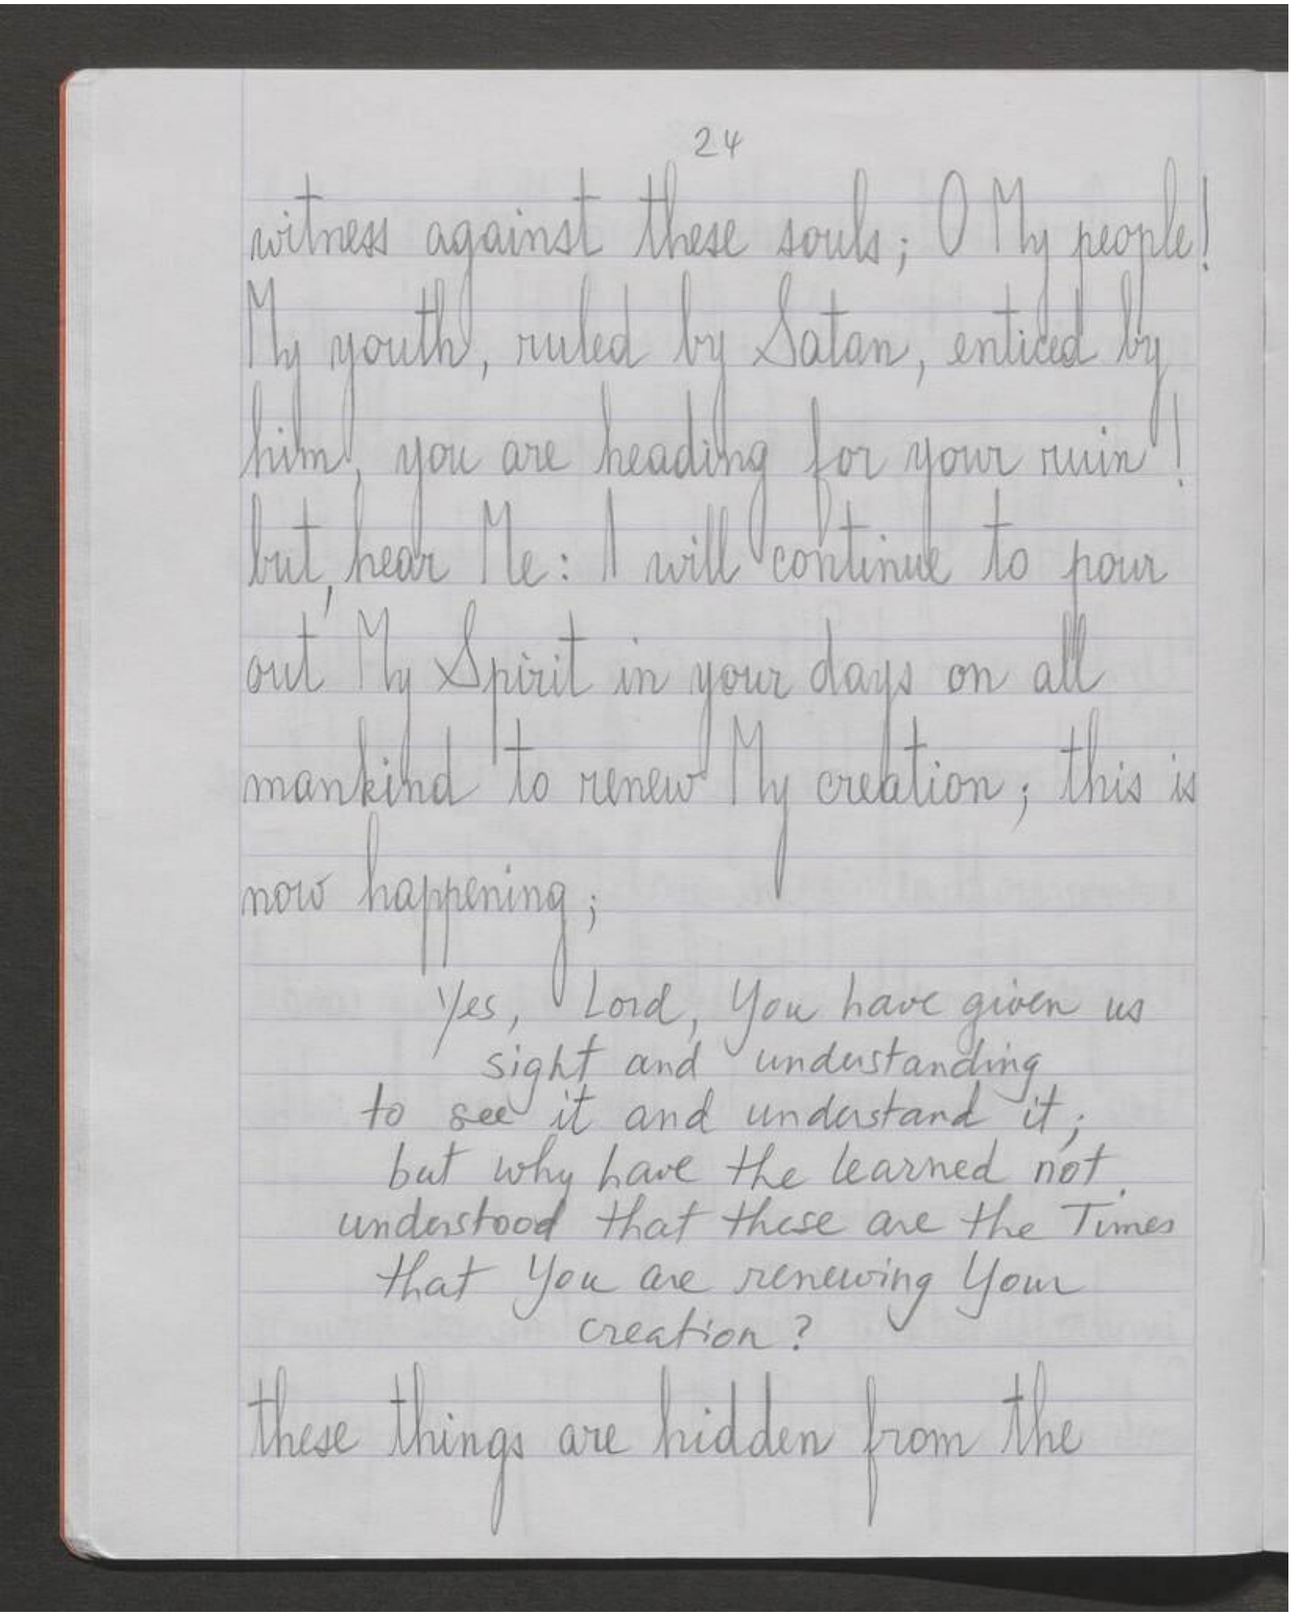
My Countenance, forgetting their roots, even insulting My Glory! how I pity those young souls who have totally lost their faith, sold to Satan! The Abyss is constantly being filled with the stench of death, and like a huge furnace that is being filled up, the Abyss' smoke is turning the sky and the earth darker by the minute... the pain I experience is beyond human understanding; their rejection of My Presence and of My Divinity bear



witness against these souls; O My people!
My youth, ruled by Satan, enticed by
him, you are heading for your ruin!

out My Spirit in your days on all
mankind to renew My creation; this is

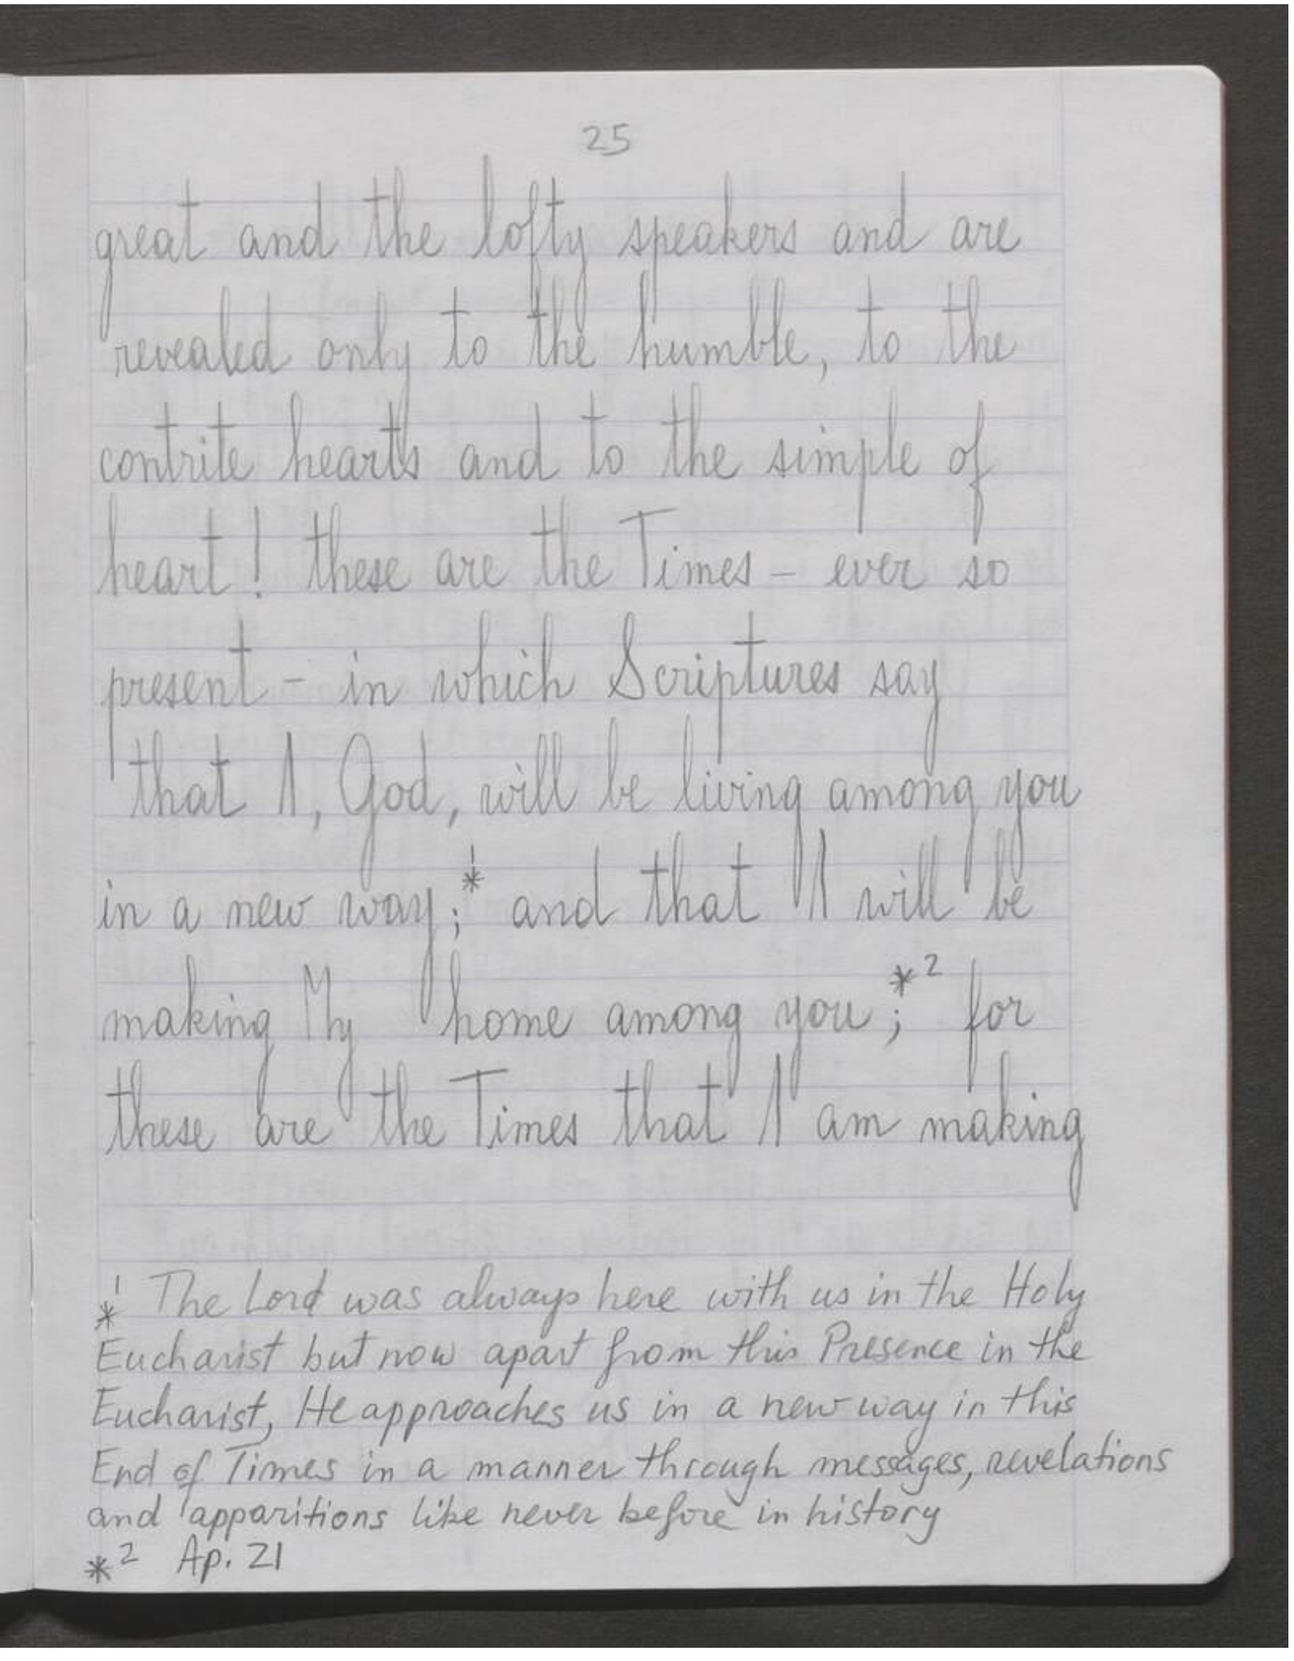
but why have the learned not
understood that these are the Times
that You are renewing Your
creation?

these things are hidden from the



great and the lofty speakers and are revealed only to the humble, to the contrite hearts and to the simple of heart! these are the Times - ever so present - in which Scriptures say that I, God, will be living among you in a new way;* and that I will be making My home among you;* for these are the Times that I am making

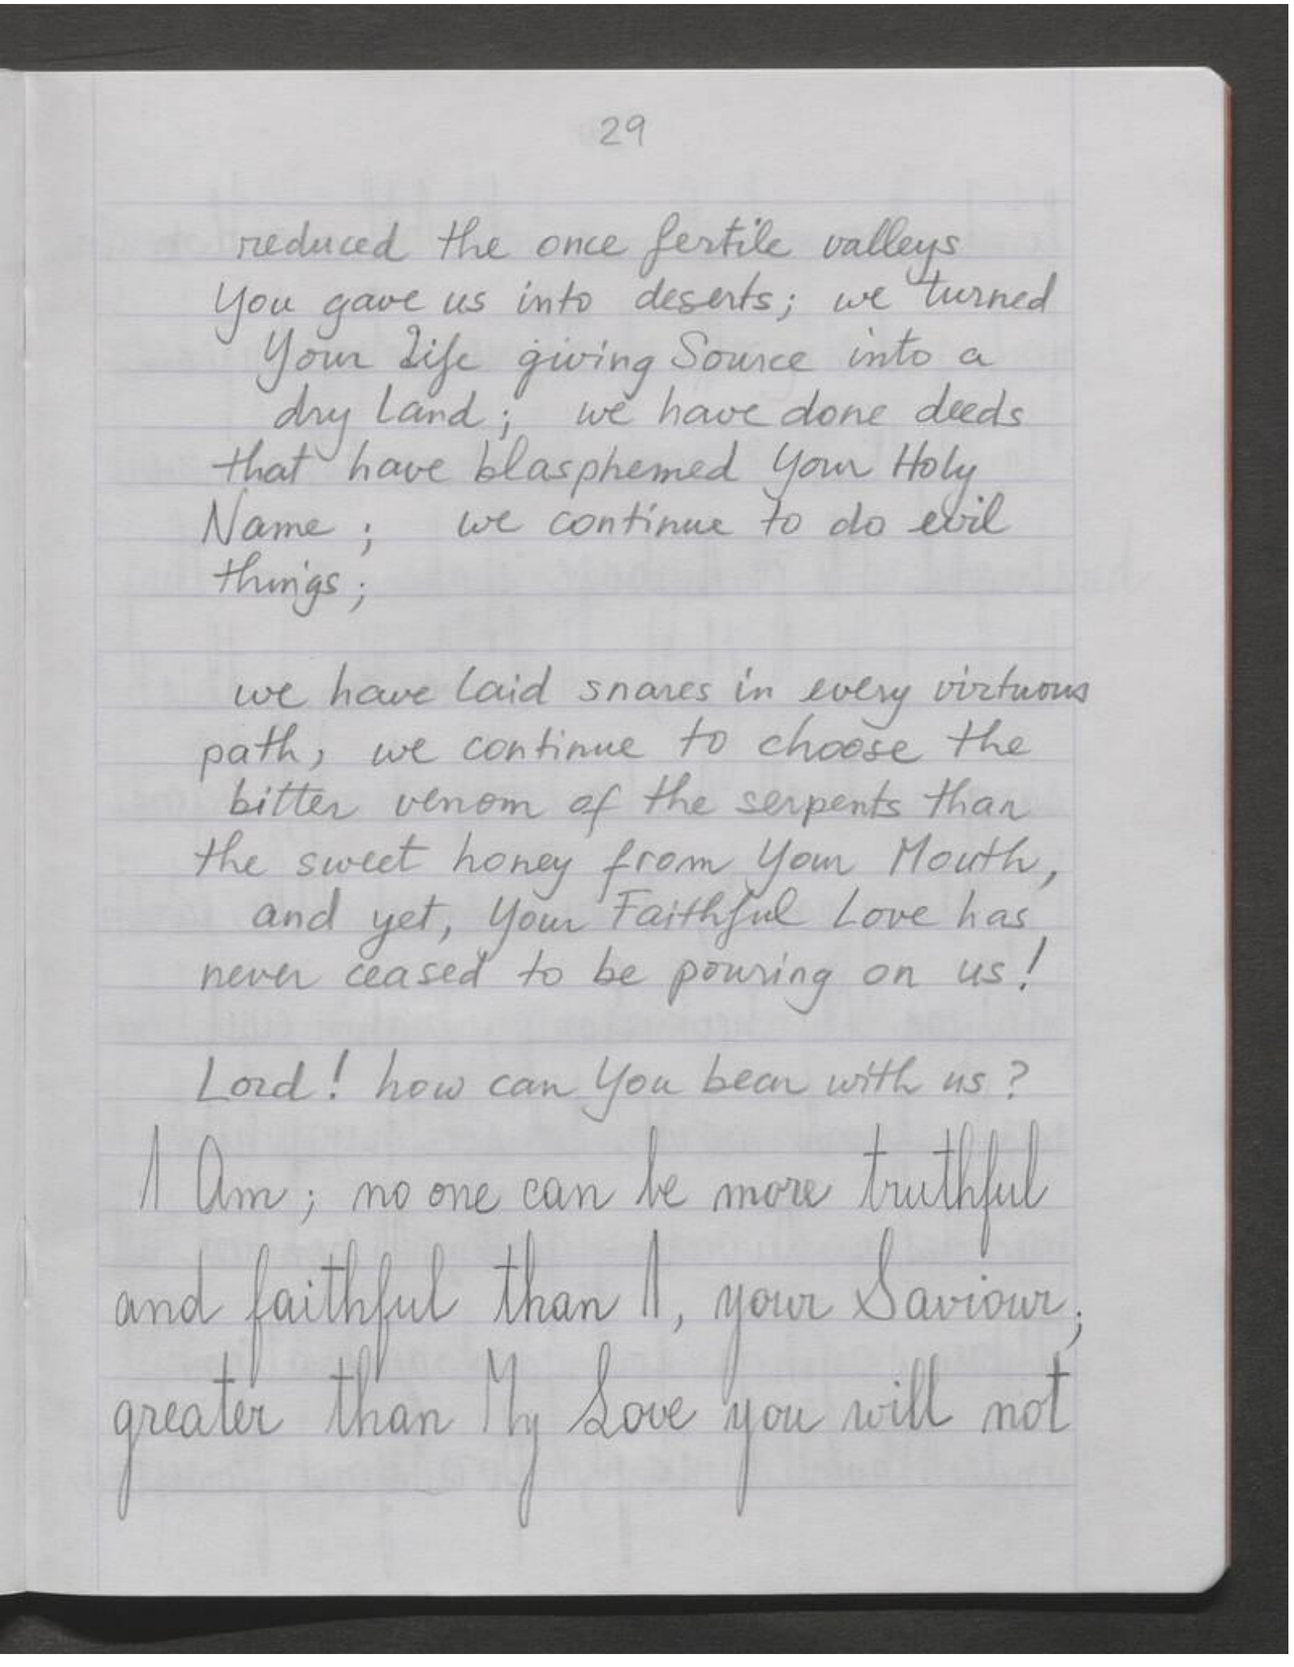
You visit the earth and water it
from Your Sources that give life;
You load our generation with
spiritual riches through Your Holy
Spirit; You have never forgotten
us;

our cups brim over with Your Right-
eousness to quench our dryness; You
provide our soul with celestial
manna; You pour anointed oil on
our unworthy heads, and with
abundance You give us good things;

but what have we done? we have

*Packing my bag for the next mission



reduced the once fertile valleys
You gave us into deserts; we turned
Your life giving Source into a
dry land; we have done deeds
that have blasphemed Your Holy
Name; we continue to do evil
things;

we have laid snares in every virtuous
path, we continue to choose the
bitter venom of the serpents than
the sweet honey from Your Mouth,
and yet, Your Faithful Love has
never ceased to be pouring on us!

Lord! how can You bear with us?

I have spoken and they have heard Me; I have sung this song so that I show My Mercy, before My Day comes, I summoned the earth to hear My new Song, from east to west, from north to south, which precedes a devouring fire; I penned all these sayings for your generation, and I would say, for your famished

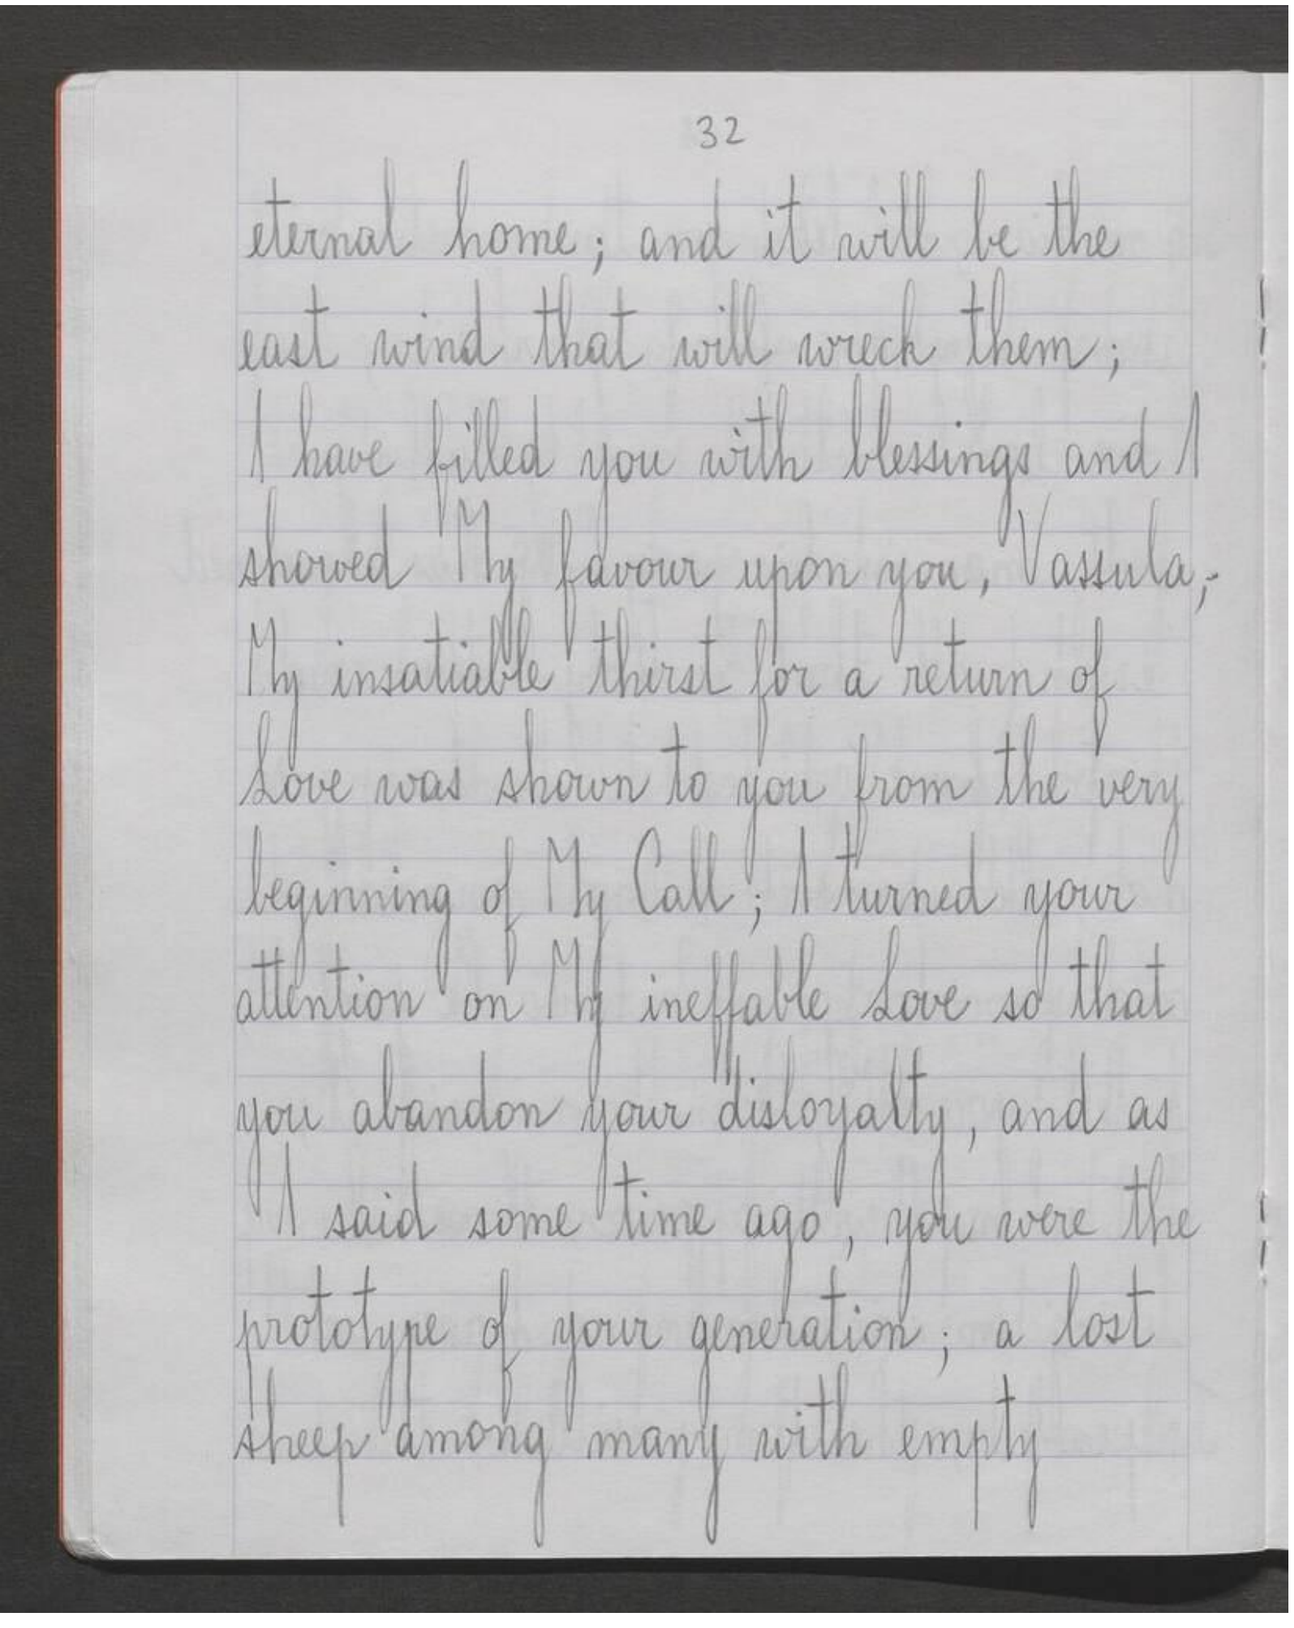
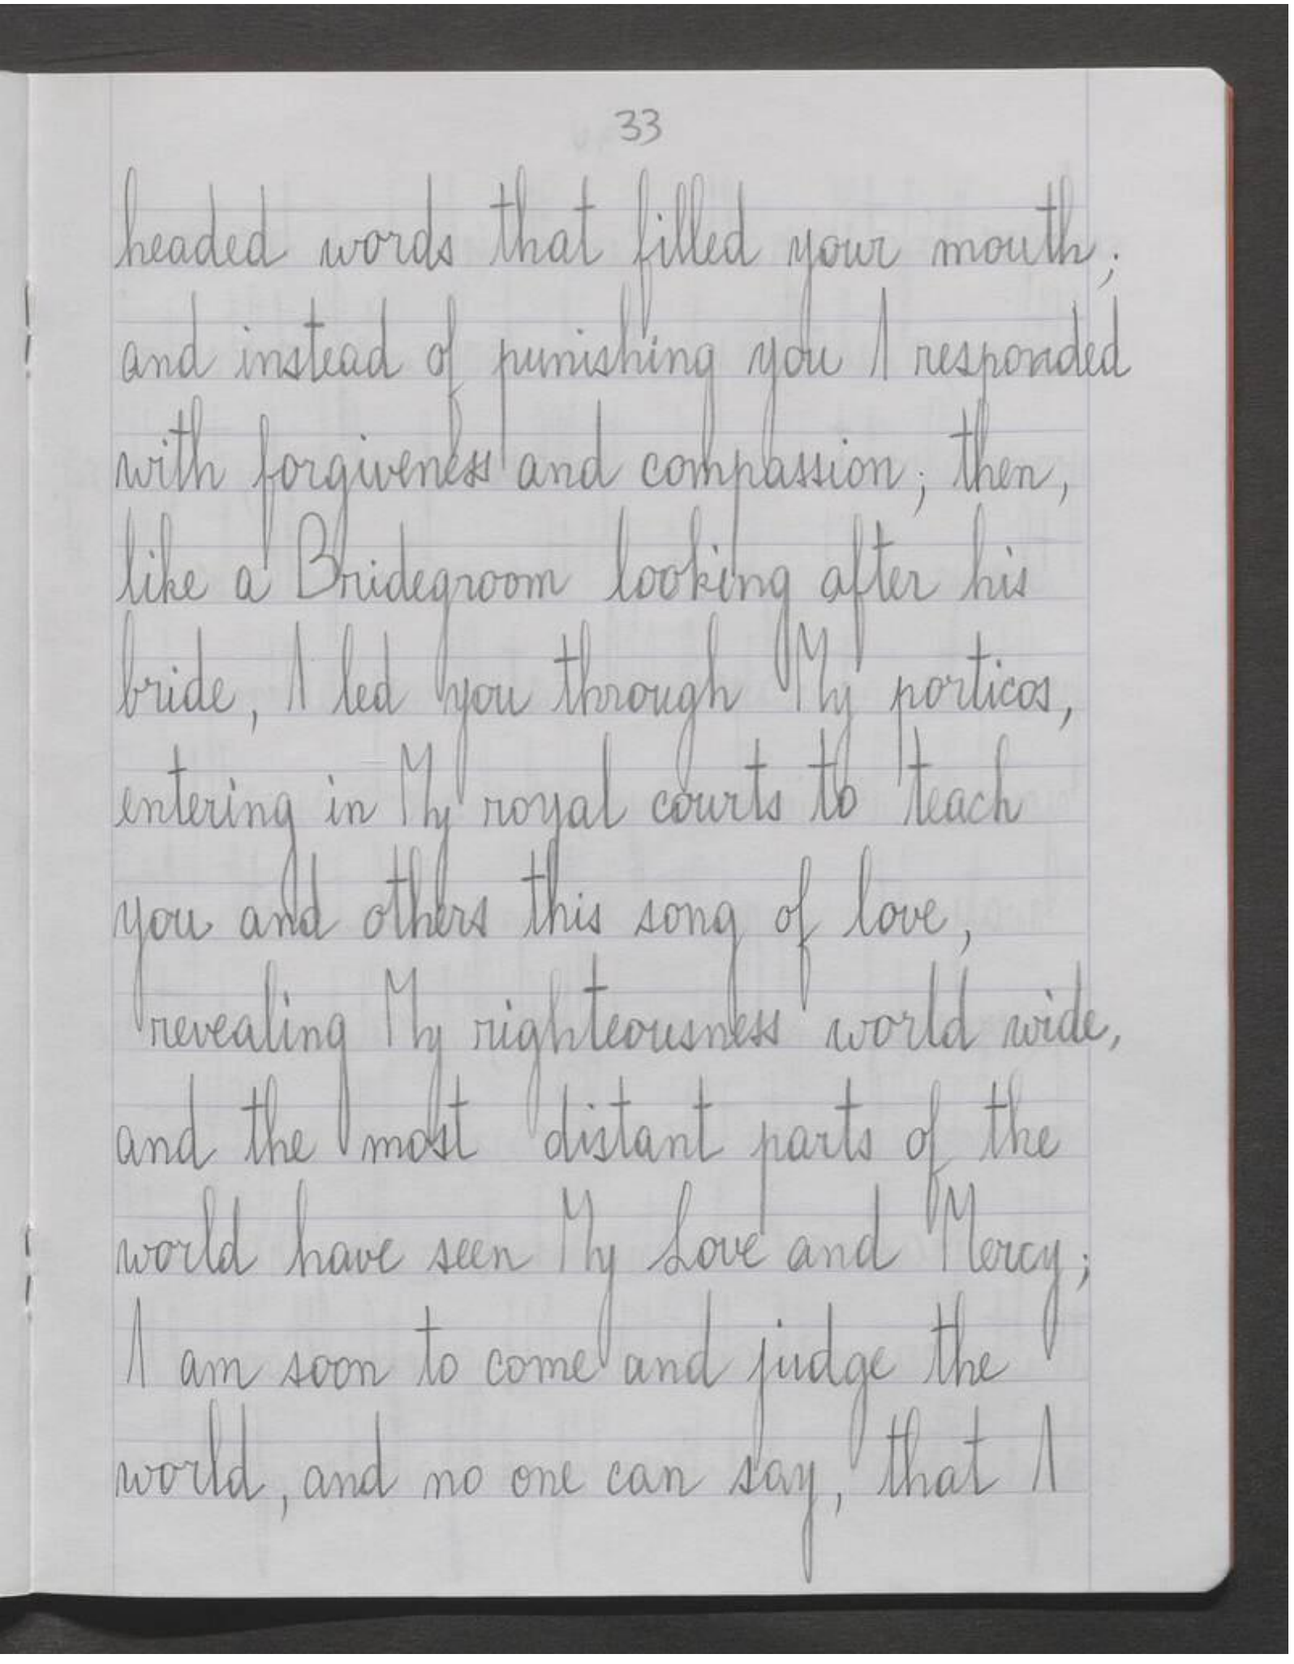
generation, to lead you to repentance
and purify you from your sins; I
have been constant in My Calling,
but, man in his prosperity has abandoned
Me and all that is Holy; the soul
that I have created to be happy is
not, because evil cannot nourish
and provide your souls to be joyful;
I tell you, My Presence is imminent,
but when I will appear, those who are
living in wickedness and have not
repented, the tomb will be their



eternal home; and it will be the
east wind that will wreck them;
I have filled you with blessings and I
showed My favour upon you, Vassula;
My insatiable thirst for a return of
Love was shown to you from the very
beginning of My Call; I turned your
attention on My ineffable Love so that
you abandon your disloyalty, and as
I said some time ago, you were the
prototype of your generation; a lost
sheep among many with empty



headed words that filled your mouth;
and instead of punishing you I responded
with forgiveness and compassion; then,
like a Bridegroom looking after his
bride, I led you through My porticos,
entering in My royal courts to teach
you and others this song of love,
revealing My righteousness world wide,
and the most distant parts of the
world have seen My Love and Mercy;
I am soon to come and judge the
world, and no one can say, that I

all of your hardships will be compensated, and I will keep showing My Glory on your face: My Face on yours, so that the blind may believe; although I will keep some of them veiled not to see; yes, through grace I have chosen you to preach unity and reconciliation, calling everyone to repent; therefore, My child, do not hesitate to speak of My affection I have for each soul, and of the greatness of the Love I have for all! I am Love, I, Jesus bless you,

Me as I entered your house, but she
has covered My feet with kisses all along;

religion is when you have promised
